

YOU DON'T NEED TO HAVE KIDS

TO BE A PART OF THE PTA FAMILY!

"Service members and PTA volunteers teaming up to support children in our schools is a natural fit -- both groups are vested in the success of our children and the future of our country. You don't have to have a child in school to support education, and I encourage service members to join their local PTA and military units to partner with PTAs to provide special programming. Together, they can build and bolster education in the U.S. by being examples of exemplary citizens for our school children."

Otha Thornton, Past President of National PTA, Retired U.S. Army Lieutenant Colonel, and Bronze Star Recipient

AS A PTA MEMBER, YOU CAN:

- Support Our Community
- Support Our Military Families
- Support Our Future
- Earn Volunteer Hours
- Have Fun!

THE NATIONAL PTA is the oldest and largest child advocacy association in America. Today's PTA is comprised of more than 4 million parents, teachers, grandparents, caregivers, foster parents and other caring adults who share a commitment to improving the education, health, and safety of all children. We speak with one voice for every child.

YOUR PTA MEMBERSHIPS help to support a wide variety of projects and activities, and they most definitely DO make a difference! Your membership actually gives you membership to **THREE** individual PTA organizations: **our school's PTA**, the **European PTA**, and the **National PTA**.

THE PTA DIFFERENCE may start at home, but it reaches as far as Capitol Hill, as our National PTA advocates for children and education. For more than 100 years, the PTA has achieved monumental changes: the creation of kindergarten classes, child labor laws, hot lunch programs, a public health service, and much, much more!
